

25 JUNE, WEDNESDAY

19:00 - 21:30 | Rooftop, Factory Building, Unicorn Factory, Lisbon

Networking Drinks Reception

Hosted by Global Renewables Alliance (GRA) & Global Wind Energy Council (GWEC)

26 JUNE, THURSDAY

08:30 - 09:15 | Reception, Factory Building

Registrations & Welcome Coffee

09:30 - 09:45 | Cookie 2 Room

Opening

Bruce Douglas, CEO, GRA

MC: Ana Rovzar, Head of Policy, GRA

PART 1 The Great Reset - How do we start fresh and power a confident green future?

As the world reels from overlapping crises including geopolitical shocks, climate-change induced disruption, migration and conflict, and rising disinformation, we need more than rapid solutions: we need a new worldview. This session explores how we can reset the global narrative toward one of confidence, interdependence, and collective momentum, built for a clean energy future.

09:45 - 10:25 | Cookie 2 Room

Fireside Chat: World Builders - Technology and the New Geopolitics

Ben Backwell, Chair of GRA, CEO of GWEC

Bruno Mações, Author, Geopolitics expert and former Secretary of International Affairs of Portugal

10:25 - 11:20 | Cookie 2 Room

Pitch-Panel: State of the Shift - Mapping the Cracks and Catalysts of our Time

In rapid-fire pitches, thinkers from climate, science, policy and beyond reflect on the crises shaping our era, and how they're working to solve it.

Moderated by Ana Rovzar, Head of Policy, GRA

- **Gaia Vince**, Award-winning science writer, broadcaster and keynote speaker
- **Dr. Nafeez Ahmed**, British investigative journalist, author and academic
- **Roberta Boscolo**, Climate and Energy Lead, WMO
- **Rana Ghoneim**, Chief of the Energy Systems and Industrial Decarbonization Unit, UNIDO
- **Nelson Lage**, CEO, ADENE

11:20 - 11:25

Break

11:25 - 12:15 | Cookie 2 Room

Panel: The Pulse of the Transition - Resilience and Futureproof Power Systems

Reshaping our worldview is also an opportunity to build stronger, smarter systems. This panel explores how to future-proof our power grids to handle volatility, scale renewables, and support a thriving energy transition.

- **Joao Galamba**, Former Secretary of State for Energy, Portugal
- **Miguel Ferreira**, CEO, MegaJoule
- **Pedro Amaral Jorge**, President, APREN
- **Julia Souder**, CEO, LDES
- **José Roque**, Energy Segment Lead - Portugal | Partner, EY

Moderated by Beniamin Strzelecki, Advisor, International Partnerships, GRA

12:15 - 14:00 | Praça Restaurant

Lunch Break

PART 2 Technology & Social Trust - How can we Reclaim the Narrative in the AI Era?

Mis- and disinformation are fragmenting public support for climate and clean energy, just as the world needs a shared vision more than ever. This session explores how bold storytelling, digital tools like AI, and trusted community voices can reclaim the narrative and build trust in a renewable-powered future.

14:00 - 14:15 | Cookie 2 Room

Taking the Pulse: Measuring Trust, Optimism, and Public Sentiment

14:15 - 14:45 | Cookie 2 Room

Pitches: What Makes a Compelling Communications Narrative, how to set it and how do Digital Tools fit in?

Each speaker will deliver a short pitch on what makes a compelling energy narrative today, why it matters, and how digital tools, AI, and strategic communications can help deliver.

- **Killian Daly**, CEO, EnergyTag
- **Jacques Foul**, AI & Communications expert
- Q&A (10')

14:45 - 15:00

Break

15:00 - 15:45 | Cookie 2 Room

Panel: From dis- and misinformation to momentum – reclaiming the narrative in a digital age

This panel responds to the challenges and ideas surfaced in the pitch talks, exploring how we can move from dis- and misinformation and fragmentation to trust, momentum, and a compelling public narrative for renewables.

- **Eleanor Webster**, Head of Secretariat, Mission Innovation
- **Brian Kakembo Galabuzi**, Sustainability Director, St Kizito Uganda
- **Filipe Blackwood**, Senior Executive Advisor, SEforALL
- **Helen Watts**, Executive Director, Student Energy

Moderated by Sarah Goodenough, Head of Global Networks, Bellwethers

15:45 - 16:00 | Cookie 2 Room

Wrap up Day One

16:15 - 18:00 | Praça Restaurant

Networking Afterwork

Unwind with drinks, light bites, and good music as we wrap up the day. This informal afterwork gathering offers a relaxed setting to connect, reflect, and continue the conversation with fellow participants.

27 JUNE, FRIDAY

08:30 - 09:15 | Praça Restaurant

Welcome Coffee

PART 3 Driving Positive Social Change - How do we build broad movements in support of a green future?

How can we grow a resilient and intergenerational movement that connects climate, equity, and development, and gets us to COP30 and beyond? From finance to communications to advocacy, this part explores the practical building blocks of an unstoppable green transition movement.

09:30 - 10:00 | Cookie 2 Room

Presentation: A Confident Green World - Imagining the Next Energy Era

- **Michael Liebreich**, Chairman, Liebreich Associates
- Q&A w. Bruce Douglas, CEO, GRA

10:00 - 10:30 | Cookie 2 Room

Fireside Chat: From Vision to Movement - What it Takes to Mobilise for a Green Future

- **Diogo Silva**, Campaign Lead Banks & Climate, BankTrack
- **Clara Tripodi**, Advocacy and Fundraising Lead, Just a Change, Lisbon

Moderated by Ana Rovzar, Head of Policy, GRA

10:30 – 11:15 | Cookie 2 Room

Panel: From Fragmentation to Coalition: building an Inclusive Climate Movement

From youth-led action to island innovation, this panel explores how diverse and inclusive leadership can drive powerful, people-centered climate movements. Grounded in lived experience and practical momentum, the conversation will unpack what it takes to organize across borders, sectors, and generations.

- **James Ellsmoor**, CEO, Island Innovation
- **Kelsey Bischof**, Senior Associate, Global Networks & Partnerships, Clean Cooking Alliance
- **Eddie Rich**, CEO, IHA

Moderated by Benjamin Strzelecki, Advisor, International Partnerships, GRA

11:15 - 11:20

Break

11:20 - 12:00 | Cookie 2 Room

Panel: Funding, messaging, mobilizing – strategies for lasting impact

Building a broad-based movement means more than raising awareness, it means shifting power. This panel looks at the strategies, resources, and narratives needed to scale bottom-up action, fund frontline solutions, and drive impact all the way to COP30 and beyond.

- **Glada Lahn**, Environment & Climate Lead, Chatham House
- **Hadiza Abdulmumini**, Global Focal Point, SDG7 Youth Constituency
- **Vaishali Mishra**, Directors, Communications & Advocacy Asia, GEAPP
- **Tiago Vicente**, Coordinator for Information and Education, ADENE
- **Margarita Samsonova**, Founder and Environmental Content Creator

Moderated by Saikat Das, YOUNGO Energy Governance Coordinator

12:00 - 12:15 | Cookie 2 Room

Wrap-up remarks

12:15 - 14:00 | Praça Restaurant

Lunch Break
